

## NYPRR Expands Its Services

BY LAZAR EMANUEL

**B**eginning with the November 2000 edition, NYPRR has expanded its coverage from eight pages to ten pages. The new format combines eight pages of material tested on the month's Self-Assessment Test and two pages that are not covered by the test. These two pages provide news of new developments in the fields of ethics and professionalism, including reviews of new decisions and Ethics Opinions. The last two pages of each issue contain our 20-question Self-Assessment Test leading to CLE Credits.

We have created an electronic database of all attorneys who have submitted Self-Assessment Tests for CLE Credit and are now able to e-mail CLE Certificates bearing an encrypted signature attesting to satisfactory completion of a Test.

When we do not have the e-mail address of an attorney, we continue to fax or mail the Certificate of Completion to the Attorney. It would be helpful to our staff if all attorneys would include their e-mail addresses on the Test forms.

Test forms may be directed to NYPRR by mail or fax. Our address is NYPRR, 1328 Boston Post Road, Larchmont, New York. Our fax # is 914-833-9392.

Our subscribers will soon be able to download both the Newsletter and the corresponding Self - Assessment Test electronically. New subscribers will also be able to enter and pay for their subscriptions electronically.

We are also in the process of developing an index of all articles carried by NYPRR since its first issue in April 1998. When the index is completed, our subscribers will be able to access all prior issues on the NYPRR web site. The index will enable them to find a particular article and to download it for study and review.

We encourage response and feedback from our readers. Please send e-mail to [editor@NYPRR.com](mailto:editor@NYPRR.com) or write or fax your comments to the Editor.
